Education and Training

Bachelor of Computer Applications
December 2024
Parul University, Vadodara

MERN Stack Developer in
Tops Technologies, Ahmedabad

Projects

Building an E-commerce Application:

- **Role:** Frontend Developer
- **Technologies:** React, Redux, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript
- **Experience:**Developed a user-friendly e-commerce storefront with features like product browsing, shopping cart, and checkout. Implemented state management using Redux to manage user data, shopping cart items, and application state. Integrated with a payment gateway for secure online transactions. Developed unit tests and conducted thorough testing of the application. Collaborated with backend developers to ensure smooth data flow and API integration.
